MON-24FHD-BL

24" HD DISPLAY

HD	178°	24/7					
Full HD 1920×1080	H178°/ V178°	24/7 Operation	Super Slim	HDR	Fast Response	VGA	HDMI

Features

- Full HD 1920x1080 resolution with a 16:9 aspect ratio delivers sharp image quality and an immersive viewing experience.• Vivid and Accurate Color Rendering delicate, lifelike visuals that reflect true-to-life colors.

- Enhanced Brightness improves image clarity for professional presentations and everyday use.

- Slim and Stylish Design for a sleek, lightweight build with a profile as thin as 7mm.

- 178° wide viewing angle ensures clear, color-accurate visuals from any perspective.

- 8-bit Image Processing with a high-resolution progressive scan delivers smooth, detailed images.

- Smart Image Enhancement includes 3D noise reduction, motion blur control, and adaptive brightness and contrast optimization.

- Advanced LCD Driving Technology that accurately reproduces signal input for a realistic viewing experience.

- Eco-friendly and eye-safe LCD with a compact, energy-efficient design featuring zero radiation and flicker-free viewing for healthier eyes.

- 4ms Fast Response Time reduces motion blur during fast-paced video or gaming.

- Nano-Enhanced Display Technology delivers a clearer, more immersive visual depth.

- Eye care technology with a flicker-free display and low blue light filters reduces eye strain and protects against prolonged exposure.

Technical Specifications

Panel Properties	
Screen	23.8 inches
Panel Type	TFT LCD (O/C)
Backlight	LED
Resolution	1920x1080 (Full HD)
Aspect Ratio	16 : 9
Brightness	≥180cd/ m²
Contrast Ratio	3000 : 1
Refresh Rate	75HZ
Response Time	4ms
Display Colors	16.7 million
Backlight Life	60,000 hours (typical)
Viewing Angle	178° (H) / 178° (V)
Power	
Input Voltage	12V/3A
Power Consumption	25W
Functionality	
Control Method	On-panel buttons
Operating & Storage Conditions	
Operating Temp./Humidity	0-50°C / 20-80% RH (non-condensing)
Storage Temp./Humidity	-10-60°C / 5-95% RH (non-condensing)
Connectivity	
Input Interfaces	HDMI, VGA
OSD Languages	
Languages	Simplified Chinese, English, others
Physical Structure	
Color	Black
Material	Metal backplate with flame-retardant plastic
Wall Mount Size	75x75 mm (VESA Compatible)
Installation Options	Desktop stand / Wall-mounted
Dimensions & Weight	
Net Weight	2.6 kg
Unit Dimensions	540x321x40 mm
Carton Size (5 pcs)	625x610x400 mm
Total Carton Weight	18.9 kg
Included Accessories	Stand, Power Adapter, HDMI Cable, User Manual

Precautions

- Handle the product with care during transport and installation.

- Do not use the product in corrosive, flammable, or explosive environments.

- Disconnect the power supply before installation, maintenance, or relocation to avoid electric shock.

- Do not install the monitor near heat sources to prevent overheating and damage.

- Ensure all connectors are correctly and securely connected.

- Do not open the product casing without proper authorization.
