

CODE: **AWOH-PM10A v1.0/l**  
NAME: **Plate with 10 membrane grommets for AWOH series enclosures**

EN

### Destination

The AWOH-PM10A membrane bushing that allows cables to be passed inside the hermetic enclosure of the AWOH series. The membrane is made of a flexible material that ensures the tightness of the enclosure and protects the cables against damage. The membrane bushing is mounted to the enclosure using 6pcs mounting screws and a gasket that is included with the AWOH enclosure.

### Technical data
